

Team Name - **Group 17**

Sprint Name - **Sprint 1 (Standup 1)**

Stand Up Date - **April 6th, 2023**

Copy the following block for every member of the team. If a team member is absent, list them down as absent. If the team member has a valid reason for the absence, like an illness, they should contact the TAs and/or instructor so they do not lose points for this stand up.

Update for Alexander

1. What have I accomplished - Completing the search page
2. What will I accomplish - Think about use-case and friendliness of the application to the user
3. What blockers do I have - Empathy for the user

Update for Carson

4. What have I accomplished - Completing the results page
5. What will I accomplish - Begin working on adding project files to github and work on functionality of the website. Work on diagrams.
6. What blockers do I have - Experience with flask, python, and sql.

Update for Eduardo

7. What have I accomplished - Completing the all posts page and managing github repo
8. What will I accomplish - Think about actual functionality/back end of the final project.
9. What blockers do I have - Experience with flask/sql.

Update for Luna

10. What have I accomplished - Complete the Profile page
11. What will I accomplish - Work on ERD diagrams and begin controller logic for the second iteration
12. What blockers do I have - Very limited SQL knowledge/ability

Blockers

After everyone gives updates, discuss and write down what your team will do to alleviate any blockers that came up in the meeting.
